Maureen Raynaud
Executive Director
The Good Night Foundation
455 Canyon Del Rey Blvd. Suite302
Monterey, CA 93940

Dear Ms. Raynaud:

I just received your letter and generous check in the amount of \$6,200 from the Post Ranch Inn guest contribution program at the Good Night Foundation. It was a welcome surprise that will directly improve our ability to provide ongoing services to the Big Sur community and the thousands of travelers who visit our area annually.

Big Sur Health Center was the fortunate recipient of funds from the Good Night Foundation in February of this year. We applied those funds toward the direct provision of health care services that assist patients in achieving their health care goals and improving their overall quality of life.

Big Sur Health Center is committed to preventative care and maintenance of health through education and early detection that identifies risk factors before they become chronic diseases. Our multicultural outreach committee is particularly involved in efforts to reduce childhood obesity and improve oral health in our community.

We applaud the Good Night Foundation for establishing and supporting the guest participation program which enhances the efforts of communities to work together cooperatively for the greater good of all.

Thank you again for your continuing support.

Regards,

Sharen Carey, PA-C
Executive Director and Physician Assistant
